

CAPABILITY STATEMENT

CHARIOTGROUP.COM

The Chariot Group is a leading audiovisual solutions provider with a national presence and a proven track record of excellence. Our team of highly skilled professionals boasts an average tenure of 10 years, demonstrating unparalleled expertise and commitment to our craft and care to our employees. With a robust network of over 25 team members and an extensive roster of trusted subcontractors, we possess the agility to scale our operations for projects of any magnitude. Our longstanding partnerships with top-tier manufacturers, some dating back to our company's inception, grant us unrivaled access to cutting-edge technology and superior technical support. This strategic advantage ensures we consistently deliver state-of-the-art solutions with minimal downtime. As industry pioneers, The Chariot Group remains at the vanguard of audiovisual innovation, serving commercial, educational, and governmental sectors. Our mission is to revolutionize communication by seamlessly connecting and engaging people and ideas through advanced technology. We offer a comprehensive suite of integration solutions, including: Expert Consulting and Design; Precision Installation; Meticulous Project Management; Customized Training Programs; Professional Development Initiatives; Comprehensive Service Maintenance Contracts; and Customized Programming. With our extensive capabilities and unwavering commitment to excellence, The Chariot Group stands ready to transform your audiovisual vision into reality, regardless of project scope or complexity. The Chariot Group is a certified Service-Connected Disabled Veteran-Owned Small Business.
